The waste around Busta needs to be a range of items that can be recycled including;

In the text box:

'Hi, I'm Captain Busta and I'm on a mission to help children learn how recycling can help the environment on Earth.

Did you know that in less than 2 hours the UK produces enough waste to fill 37 Olympic sized swimming pools?

~~Earthlings throw away more than 27 million tonnes of waste from their houses in the UK every year. Less than half of this waste gets recycled and around 8 million tonnes of it just gets buried in landfill.~~

Part of the problem is that people aren't sure what can and can't get recycled so we need YOUR help!

Your mission, is to find out what can be recycled from every room in your home and to spread the word of how to 'recycle right' to everyone you live with.

Watch my video to see why we think it's good to recycle..

'Why Recycle Plastic?' needs to be 'Why recycle?'

Be a Recycling Hero at Home for Rewards

Wastebuster is inviting all Primary schools to compete to get the most children and families being recycling heroes at home.

The school with the highest percentage of children in their school that complete the Wastebuster Home Challenge, by returning their homework activity sheet will win £500 for having the most recycling heroes!

We need children's help to spread the word of how to recycle right.

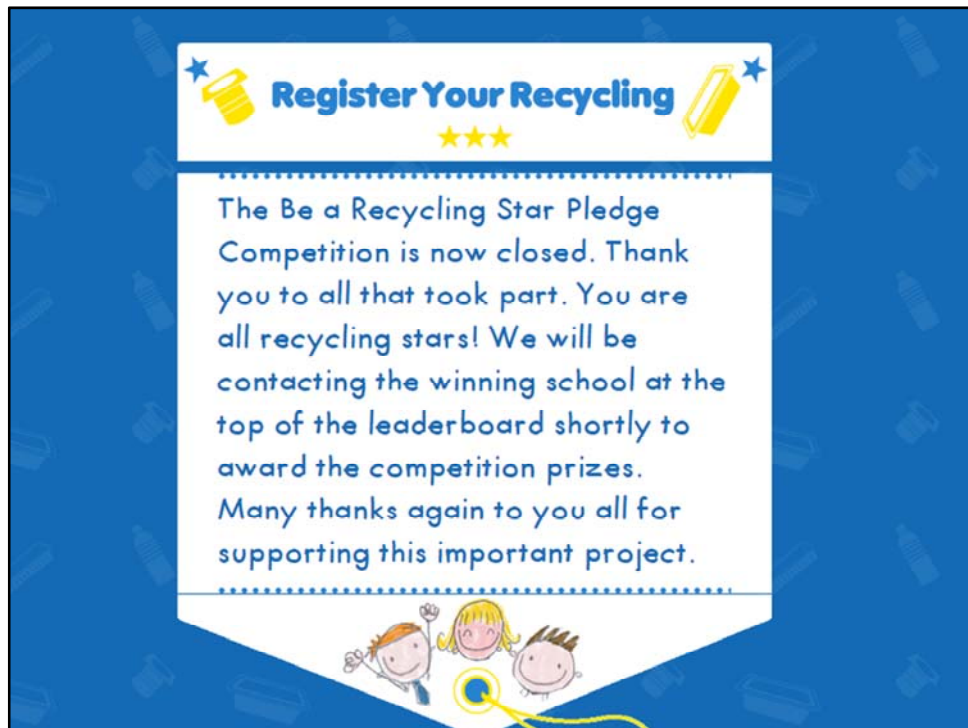

Their challenge is to take home the **Wastebuster Home Challenge activity sheet [download link]**, check what can be recycled in every room in their home and take it back to school. Teachers then send the children's homework sheets to us to enter the competition and your school will be added to the competition **leader-board**. [link to leader board below]

ADD THE WASTEBUSTER ADDRESS HERE

Children keep the '**Did you know, we can Recycle...**' list. They add any extra items that can be recycled in their area to the list, get arty and pimp their poster so it looks awesome, and pop it up somewhere in their home where everybody will see it!

If they want a chance to get into the Recycling Hero Hall of Fame they simply take a pic of their list (where they have stuck it up) OR any of their family being recycling heroes and send it to me at: CaptainBusta@Wastebuster.co.uk. One lucky entrant will win a lovely iPad! ☺

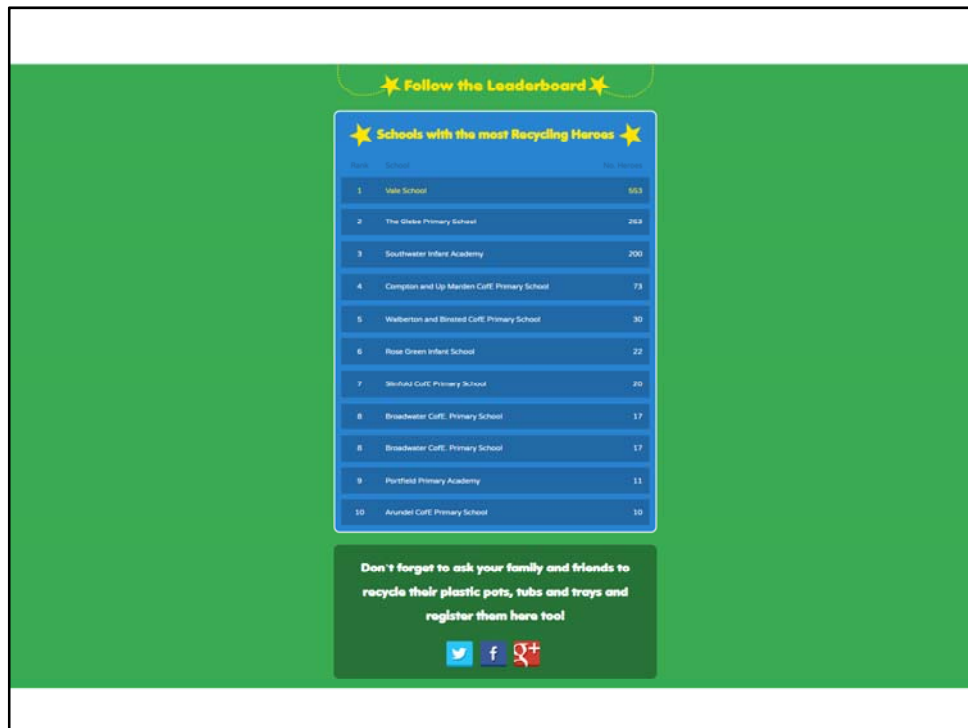

All recycling heroes sending in pictures could also be selected to win a goody bag containing an exclusive pack of Wastebuster Top Trumps and Recycling Hero Badges.

Use the blue background from the register your recycling page

This page needs to be made to look MUCH more exciting – use images of Busta and Pong and the characters

Change the 'Don't Forget' section to a nice big promotion of the photo gallery:

Don't forget to send your piccys to me and Pong at CaptainBusta@Wastebuster.co.uk and check out your friends in the **Hall of Fame!** [LINK] Woo-hoo!

Sort a Rot and Be a West Sussex Recycling Hero competition T&C

Only recycling registrations made by unique individuals are valid. The recycling registration tool will close on the 24th June 2018. The name and email addresses supplied when registering recycling will only be used by Wasteuster to assign recycling registration numbers against tokens for the Sort a Rot and Be a West Sussex Recycling Hero competition, to announce campaign results and new recycling campaigns. Names and email information will not be shared with any third party. The class trip to the Ford Mill is for approximately 20 pupils. Key Stage 2 (year 3 and year 4 pupils) are not able to access the viewing platform at Ford Mill, but may use the [education centre](#) on site. The winners of the Wasteuster Top Trumps and Recycling hero badges will be selected at random and will be notified by email to arrange postage of their prizes.
